# Harsiddh Rubber Works

<https://www.harsiddhrubberindia.com/>

We are the most recognized manufacturer and supplier firm in India, specializing in Industrial Rubber Products. Our catered product range is known for its fabrication capability and serves the promise of excellent bonding and durability.

## About Us

Established in the year,1979, at Ahmedabad, Gujarat, India, we, “**Harsiddh Rubber Works**”, are a Sole Proprietorship (Individual) firm engaged in manufacturing and supplying a wide range of Industrial Rubber Parts, including Plunger Packing Set, Victulic Coupling Gasket, Piston Cup, Oil Seal, O Ring and Gland Packing. The complete range is designed and produced as per the defined quality standards and is acknowledged for its features like excellent bonding strength and application specific designs.

We have a state-of-the-art-infrastructure that is equipped with all the required facilities and is manned by a team of expert professionals. Our professionals make use of available resources to manufacture a quality range of **Industrial Rubber Parts** as per the demands and requirements of the customers. The quality experts of our organization test the products on various parameters before final delivery to the clients, to ensure that our range is free from any defect. The meticulous efforts of our professionals have helped us in spreading our business to the various parts of India. Owing to our client-centric approach and quality product line, we have become one of the leading manufacturers and suppliers of Industrial Rubber Parts.

We owe the success of our organization to our mentor **Mr. Jagdish Mahapatra**, with his sound industrial experience and strong and sharp business acumen, we have been able to carve a...
